Pelletstown Educate Together National School

Class Meetings September/October 2026

Mainstream Classes

Please join us at the times below for your child's start-of-year class meetings. The meeting is for all parents/carers in the class and is an opportunity for you to meet your child's class teacher and learn about what this school year will be like for your child.

Please note this is not an individual parent-teacher meeting, and if you wish to discuss your child individually you should make an appointment with your child's teacher using Aladdin.

Annual parent-teacher meetings will be held in January 2027.
