Pelletstown Educate Together National School

Class Book Lists and Pupil Portion Information 2025-2026

Pelletstown Educate Together National School implements the Department of Education Free School Books Scheme, and provides all school books for all pupils.

The list of school books in use in the school is available below. *This is for information purposes only, and parents are not requested to purchase any school books, workbooks, copybooks etc.* These are provided to pupils at the start of each school year, where each pupil is assigned a number and they are given the book of that number. The pupils keep the books for the duration of the year and return them to the school at the end of each school year.
All books are covered and labeled and we ask pupils to take very good care of these.

Pupils must not write into the books provided, with the exception of Ready, Steady, Write, Abair Liom and Maths my Way in Junior Infants – 2nd Class, as well as the SPHE Well-Being books in all classes.

In accordance with the Department of Education guidelines on this scheme, the funding will be used by Pelletstown Educate Together National School for school books, workbooks, copybooks and other classroom resources, such as stationery.
Parents are not asked to contribute towards the cost of any of these items.
However, there are additional costs and materials that we do ask parents to make a contribution for, in the form of a pupil portion, as outlined below:

2025-2026 Pupil Portion: Total Cost per Pupil - €60

This amount covers a range of items including the following;

- Photocopying
- Art and craft materials
- ICT equipment, including iPads
- Communication software, including Aladdin
- Pupil Personal 24-hour Insurance
- Educate Together membership fees

Parents are asked to pay the €60 Pupil Portion using the Aladdin ePayment system.

Parents are also asked to purchase a school bag, lunch bag and pencil case for their child.

Book Lists for Autism Classes

Literacy:
- Edmark Reading Programme
- Colourful Semantics

Numeracy:
Maths My Way

Other:
